- Students who have opted for Mathematics Basic in Class X can take Applied Mathematics (241) as an Elective in Class XI, but cannot take Mathematics (041) at the Senior Secondary level. However, students who have opted for Mathematics Standard in Class X may choose either of the two available Mathematics options in Class XI: Mathematics (041) or Applied Mathematics (241). CBSE will issue further guidelines if there are any changes or relaxations.
- **No other subjects are offered other than those mentioned above.**
